_____

1. Select three rules from the Airbnb Style Guide that you find **useful** and explain why.

In Airbnb Style Guide these are the three useful rules .The first one is the use of modular code structures to make the code reusable and easy to debug. The second one is the use of strict equality and use of consistent naming conventions.All these three are useful because they contribute to creating a clean, efficient, and reliable codebase.

_____

2. Select three rules from the Airbnb Style Guide that you find **confusing** and explain why.

No return statement , destructuring assignment and the use of double quotes confuses me because they introduce complexities and misunderstandings if not clearly justified and consistently applied across the codebase.
